Associate in Arts

Transfer Preparation * (Major Code: 01725)

Anthropology is the study of human biological and cultural origins and development, integrating the biological sciences, social sciences, physical sciences and humanities. The Anthropology AA-T degree introduces students to the basic body of knowledge, including the cross-cultural and comparative approach. The program emphasizes the role of the scientific method in investigating humankind, as well as in the development of theoretical perspectives relevant to studying human societies. The Associate in Arts in Anthropology for Transfer (AA-T) degree satisfies the requirements of the STAR Act.

Program Student Learning Outcomes

- Students will compare and contrast elements of culture, race, ethnicity and gender to varying cultural universals from past and present, such as language, personality development, and health/illness.
- Students will be able to apply research and critical thinking skills in order to evaluate current breakthroughs, trends, or discoveries pertaining to anthropology.
- Using a globally comparative approach, the student will be able to locate, identify and explain the major cultural characteristics and unique contributions of selected societies.

The following is required for all AA-T or AS-T degrees:

- Completion of minimum 60 semester or 90 quarter units of transferable degree applicable courses.
- Minimum overall grade point average (GPA) of at least 2.0 in all transferable coursework, including a minimum "C" grade (or "Pass") required in each course for Cal-GETC.
- Minimum 18 semester or 27 quarter units in major or area of emphasis with a minimum grade of "C" (or "Pass") for each course in the major.
- Completion of the California General Education Transfer Curriculum (Cal-GETC) pattern.

SDSU Note: San Diego State University (SDSU) accepts this ADT for transferring into the Anthropology BA major. Check SDSU Transfer Pathways (<https://admissions.sdsu.edu/transfers/transfer-pathways/>) and consult with an academic counselor.

* Students planning to transfer to a four-year college or university should complete courses specific to the transfer institution of choice. University requirements vary from institution to institution and are subject to change. Therefore, it is important to verify transfer major preparation and general education requirements through consultation with a counselor in either the Counseling Center or Career and Transfer Connections. See catalog Transfer Courses Information (<http://catalog.swccd.edu/student-success-support-program/student-services-and-college-services/other-services/transfer-courses/>) section for further information.
