

EXTERNAL EXAMS CREDIT

Southwestern College awards credit toward its associate degrees for successfully passing external examinations including Advanced Placement (AP), International Baccalaureate (IB), College Level Examination Program (CLEP), and Defense Activity for Non-Traditional Education Support (DANTES). Such exams may also be used to certify areas of The California General Education Transfer Curriculum (Cal-GETC). In order to receive credit, students must submit a Credit for Prior Learning petition and must have official scores (transcripts) submitted directly to the Admissions Office. If AP, IB, CLEP or DANTES exam credit is needed for graduation, the official test score must be on file before petitioning for graduation.

Select the exam type to review which exams are accepted at SWC and how your exam score may be used:

- Advanced Placement (AP)
- International Baccalaureate (IB)
- College Level Examination Program (CLEP)
- Defense Activity for Non-Traditional Education Support (DANTES)

The external exam charts show the exam titles, the equivalent course(s), if any, at Southwestern College, and the specific area of Southwestern College and Cal-GETC requirements that may be cleared.

Colleges and universities set their own criteria for awarding external exam credit. Since the way students can use an external exam credit can vary at each institution, students are encouraged to speak with an academic counselor and/or review the four-year transfer university catalog to confirm how these credits will be received toward meeting their program requirements.

Advanced Placement (AP)

Please consult with a counselor for questions and up to date information regarding exams. Units vary depending on the university.

Students will be granted college credit for one or more Southwestern College courses provided they have a satisfactory score on an appropriate Advanced Placement Examination conducted by the College Board. It is not necessary for a student to have taken or successfully completed the Advanced Placement class in high school to receive credit for a class based on the examination score. Credit will be granted for Advanced Placement Exam scores of three and above for the California General Education Transfer Curriculum (Cal-GETC) or a general education requirement for a Southwestern College degree, as appropriate for a student's needs.

Under no circumstances will students be granted credit for a course with a score less than a three on an Advanced Placement Examination.

Students planning to transfer without a Cal-GETC certification should consult with a counselor and check the catalog of the four-year institution to see how AP credits are awarded, since awards can vary. Additional units may count for elective units toward eligibility for admission to a CSU or UC.

Students with continuous enrollment and catalog rights using the CSUGE or IGETC can follow previous External Exam Charts. See links below.

+ These exams only partially fulfill the CSU U.S. History, Constitution and American Ideals graduation requirements but can be used toward the American Institutions requirement.

US-1 = American History

US-2 = The U.S. Constitution

¹ If a student passes more than one AP exam in **Calculus** or **Computer Science**, only **one** examination may be applied to the baccalaureate.

² Students who pass **AP Environmental Science** earn 4 units of credit.

Tests prior to Fall 2009 may apply to either 5A+BC or 5B+5C of GE.

³ If a student passes more than one AP exam in **Physics**, only 6 units of credit may be applied to the baccalaureate, and only 4 units of credit may be applied to a certification in CSUGE Area.

⁴ AP exams may be used in either area regardless of where the certifying community college's discipline is located. Example: U.S. History at a community college is approved for Area 3B. The U.S. History AP may be used in Areas 3B or Area 4.

International Baccalaureate (IB)

Please consult with a counselor for questions and up to date information regarding exams. Units vary depending on the university.

Southwestern College, on recommendation of the faculty, may award up to six or more units of credit for each International Baccalaureate (IB) higher-level subject examination passed with a score of four or better.

Although six (6) or more units may be awarded for a given IB test, only one course (3 semester units) may be used to complete a California General Education Transfer Curriculum (Cal-GETC) requirement. To receive credit, students must request that their IB scores (transcripts) be sent to Southwestern College. Once the scores are on file with the College, the student must petition for the awarding of credit using the Credit for Prior Learning Petition available online. Credit will not be posted to the student's permanent record.

Please be aware that each university sets its own criteria for the awarding of International Baccalaureate credit. For instance, the University of California (UC) system will only award credit for a score of five or higher on each higher-level exam.

[^] Students seeking certification in GE prior to transfer must have passed the test before this date. Note "prior" and "effective" dates.¹ The IB curriculum offers language at various levels for native and non -native speakers. Language B course are offered at the intermediate level for non-natives. IB Language A1 and A2 are advanced courses in literature for native and non-native speakers, respectively.² IB exam may be used in either area regardless of where the certifying community college's discipline is located. Example: History at a community college is approved for Area 3B. The History IB may be used in Areas 3B or Area 4.Note:

- Credit may not be awarded for exams which duplicate credit for the same content earned through other means.
- IB tests may be requested from your high school.

College Level Examination Program (CLEP)

Please consult with a counselor for questions and up to date information regarding exams. Units vary depending on the university.

College credit may be granted for the General and Subject examinations offered through the College Level Examination Program (CLEP) by the College Examination Board when satisfactory scores have been earned. Southwestern College will grant credit to students who have attained a score at or above the 50th percentile level on each of the General Examinations and Subject Examinations. A maximum of six (6) semester units of credits will be granted or three (3) units of credit granted for each Subject Examination passed. No credit will be granted for scores below the 50th percentile and no credit will be allowed in subject areas wherein previous college credit has been earned. Credit will not be posted to the student's permanent record.

Students with continuous enrollment and catalog rights using the CSUGE or IGETC can follow previous External Exam Charts. See links below.

** These units count toward eligibility for CSU admission.

^ Students seeking certification in CSUGE prior to transfer must have passed the test before this date.

¹ If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area 3B of CSUGE, as noted.

² French Level II, German Level II, or Spanish Level II prior to Fall 2015 earn 12 units toward CSU admission.

- Credit may not be awarded for exams which duplicate credit for the same content earned through other means.
- CSU: Each CSU campus will determine how it will apply examinations toward credit in the major.
- Cal-GETC: CLEP credits do not apply toward Cal-GETC requirements. The CSU has a system-wide policy for CLEP exams and awarding transfer credit for admission or towards the completion of CSU GE based on these exams.

Defense Activity for Non-Traditional Education Support (DANTES)

Please consult with a counselor for questions and up to date information regarding exams. Units vary depending on the university.

A student may also be awarded credit for Defense Activity for Non-Traditional Education Support (DANTES) tests. All credit awarded from DANTES will be applied towards Southwestern College general elective

credit or a general education course or area. Credit will not be posted to the student's permanent record.

DANTES credit does not apply to CSUGE or Cal-GETC.

To request an official CLEP/DANTES transcript, go to www.collegeboard.org.
