

PREPARATION FOR TRANSFER

Articulation

Articulation is the process of developing a formal (i.e., written) agreement for course transfer to colleges and universities throughout the state of California. It also can include out-of-state institutions as well. The Articulation Office is housed under the Office of Instructional Support Services at Southwestern College. The Office is responsible for the development and implementation of articulation agreements for the purpose of ensuring a smooth transfer process for students.

For the most recent information on course articulation for the University of California and California State Universities, please visit www.assist.org. This website is the official repository for course articulation. **Please consult with a counselor regarding any questions, concerns, and/or academic guidance.**
