Phone: (619) 482-6361

The Counseling Center, part of the School of Counseling and Student Support Programs, offers academic advisement and individual counseling to all students. Professional counselors are prepared to answer inquiries or talk with students about their academic performance, choice of career, personal goals, and transfer opportunities to other colleges and/or universities. Students may request assistance in improving their study skills, understanding their interest, assessing their abilities, and/or exploring short-term and long-range goals. Counselors assist students with the development of the comprehensive Student Educational Plan during a counseling appointment. Online Student Educational Planning services are available.
