

FIRST YEAR & SECOND YEAR EXPERIENCE

First Year Experience

The First Year Experience (FYE) program is designed to assist students through their first year in college. The program's intent is to help students to understand the demands of higher education and learn to navigate the college with academic and student success. Students are assisted with specialized educational opportunities and increased support services. For more information, contact the FYE office.

Email: swcfye@swccd.edu

Second Year Experience

The Second Year Experience (SYE) program is designed to continue support into students' second year in college. The program highlights topics relevant to the needs of second year students such as transfer resources, career exploration, and financial literacy. Participating students are supported through peer mentorship, helpful events and workshops, and a dedicated team of staff. For more information, contact the SYE office.
